**IMPORTANT: NEW SCHEDULE**

Dear IAT families:

Happy 2017! Welcome to a new calendar year. We have great expectations for IAT students and families.

As it stands, our planned move for the week of **January 17, 2017** has been postponed until the week of **February 20, 2017**.

Though school was originally scheduled to be closed for students on January 17 and 18 it will now be **open** for full days of school for students and staff.

**We are planning to have the following days off in February:**

- *February 17 – Reduced day for students*
- *February 20 – No school, President's Day Holiday*
- *February 21 – No school, Staff Development (moving day)*
- *February 22 – No school, Staff Development (preparation day)*

**School resumes with the following schedule:**

- **February 23 – Full day of school for staff and students in new building**
- **February 24 – Full day of school for staff and students in new building**

We hope that you are able to tolerate this minor inconvenience knowing that we will soon be one school, one building-one NEW building! Please call the school if you have any questions or concerns.

Jay Kamau

School Director
